

ADDRESSING THE URGENT NEEDS OF IN-HOME SAFETY

H & H Bath and Safety, the foremost expert in Home Safety products and services, recognizes the inadequacies in the Home Safety Industry and is working to tackle these issues head-on.

FALL PREVENTION

FALLING CONTINUES TO BE A LEADING CAUSE OF INJURY, ESPECIALLY FOR THE RAPIDLY GROWING DEMOGRAPHIC OF PEOPLE 65 AND OLDER.

HOSPITAL RE-ADMISSION REDUCTION PROGRAM

HOSPITALS ARE BEING PENALIZED FOR HOSPITAL READMISSIONS.

INJURIES FROM FALLING IS A LEADING CAUSE OF HOSPITALIZATION IN THE US.

AGING IN-PLACE

MOST OLDER AMERICANS PREFER TO AGE-IN-PLACE OVER LIVING IN AN ASSISTED LIVING FACILITY.

WITH MODEST HOME MODIFICATIONS, PEOPLE CAN SAFELY AGE-IN-PLACE FOR LESS.
