

H & H's HOME SAFETY CHECK

REDUCE COSTS WITH EVIDENCE-BASED PREVENTATIVE HOME SAFETY SOLUTIONS

America's First and Only
**150+ POINT
HOME SAFETY
INSPECTION**

H & H is proud to partner with Senior and disabled-centric Non-profit organizations to help their clients live in their homes safer and longer. Along with our home safety products, H & H offers the *first-of-its-kind* H & H HOME SAFETY CHECK – a evidence-based, advanced In-Home Safety Assessment which delivers a new standard of care to help keep individuals safer at home.

WHO IS THE HOME SAFETY CHECK FOR?

A SAFETY SERVICE MADE WITH NON-PROFIT ORGANIZATIONS IN MIND

- We help organizations provide a higher standard of care for their clients, at no cost to the Non-profit
- We offer a two way referral network with donations back to the Non-profit for each Home Safety Check performed
- For Non-profits looking to increase their reach and referrals through a trusted affiliate program
- For Non-profits looking to develop home safety-centric in-house programs with home safety industry leaders
- Organizations looking to help both their and their clients' money go further for the products and services they need

MAKING HOMES SAFER FOR CLIENTS OF NON-PROFITS

- Those desiring to Age-in-Place or are transitioning to a smaller home
- People transitioning home from a care facility
- Individuals considering transition from home to a care facility
- People recently injured or who have experienced a fall
- People who simply want to live safer in their homes

THE HOME SAFETY CHECK FOR NON-PROFITS – HOW IT WORKS

- 1 Set up a referral program with H & H, customized to the Non-profit's goals
- 2 Implement referral program strategies with personnel coordinating and scheduling of the Home Safety Check with H & H
- 3 The Non-profit gets added exposure for providing additional products and services while the client is safer in their home for less
- 4 Gain additional referrals or benefits from being a part of H & H's affiliate and partners networks
- 5 H & H Donates 3% back to the Non-profit

ABOUT H & H'S
HOME SAFETY CHECK PROCESS

DID YOU KNOW?

Our Home Safety Specialists are full-time, background-checked, drug-tested, certified, trained and insured. We own the entire process and do not use contractors.

WHAT IS THE HOME SAFETY CHECK ?

THE OVERVIEW

- The Home Safety Check combines ADA building codes, evidence-based fall prevention research and patient mobility standards to create a comprehensive checklist with built-in corrective recommendations

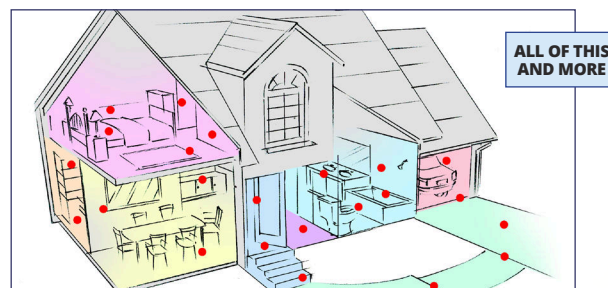

THE INSPECTION

- A 150+ Point Home Safety Inspection of one's entire home and property for safety hazards – curb to fence, floor to ceiling, and everywhere in between

THE REPORT

- Once the inspection is completed, we deliver a comprehensive report with photos, detailed issues/notes, and ADA-complaint recommendations delivered via email

WHAT THE HOME SAFETY CHECK COVERS

ALL OF THIS
AND MORE

HOME SAFETY CHECK – KEY FEATURES

- Developed over the course of 2 years through evidence-based research from the CDC, ADA and other organizations
- Utilizes ADA standards
- Extra focus on areas of the homes where falls most often occur

H & H's proprietary Home Safety Check is setting the standard for In-Home Safety. Contact us to find out more about how your Non-Profit can benefit from partnering with H & H Bath and Safety.
